This is attainable online through your MyGov account or by visiting or calling Medicare. Children are accepted into Jungle Kids from 3 months - 5 years.

ILLNESS/ HEALTH CHECK

If your child is unwell, please do not bring them to Jungle Kids. The best place for an unwell child is their home so they can rest and recover as quickly as possible. Upon entry to Jungle Kids you will be required to initial the health check column stating that your child is not suffering from any of the conditions listed (please see the Health Check at Jungle Kids reception area). If your child presents with any of these conditions during their visit, you will be paged to come and collect your child.

SCHOOL AGED CHILDREN

School aged children will not be accepted into Jungle Kids except during school holidays.

Bookings at Jungle Kids can be made online via our app. If a booking is made and you don't attend you will be charged \$5 per child per no show. If you need to cancel, please do so

online or by calling the club at least 2 hours prior to the commencement of your booking. Failure to do so will incur a \$5 fee per child. We are quite strict about this to allow all of our member's fair access to our system. The fee will be added to your next direct debit

DURATION

Visits to Jungle Kids are a maximum of 1 hour block, we allow 10 mins leeway for dropping off and picking up to allow a quick change/shower etc. Please adhere to this time limit to ensure equitable access for other members to our creche. Parents/ Guardians must stay within the facility and are not to leave the premises without first collecting their child.

No Medication will be administered to any child whilst in the care of Jungle Kids unless an emergency arises and an EpiPen or salbutamol inhaler is needed. The parent will be paged immediately to attend to their child. In the event of Emergency services being called to the premises, all connected accounts will be the responsibility of the family of the child requiring attention.

FOOD AND DRINK

If you would like your child to have a snack during their visit you are welcome to bring cut up fresh fruit or healthy food options and a bottle

of water for your child to consume. Babies may also have a formula bottle ready to drink from once the time arises, parents of babies are encouraged to feed them before leaving them in the creche. LABELLING

Please ensure all items are clearly labelled with your child's name.
